"Even though conventional wisdom suggests otherwise, creative people can copy other people's work and it is legal. How is this possible? By using the vast pool of creative works that fall into a category called Public Domain. This book shows how the author has built a public domain publishing company on a shoestring, how he has used his company to publish his own writing and how he optimizes his relationships with other publishing entities like Create Space, Lightning Source and Amazon. This Second, Updated Edition contains know-how on eBook publishing for the Kindle, Nook and Apple's iPhone and iPad devices."
